

## Silvio Bambini Ornithological Museum

### PAPER DIORAMA

Instructions:

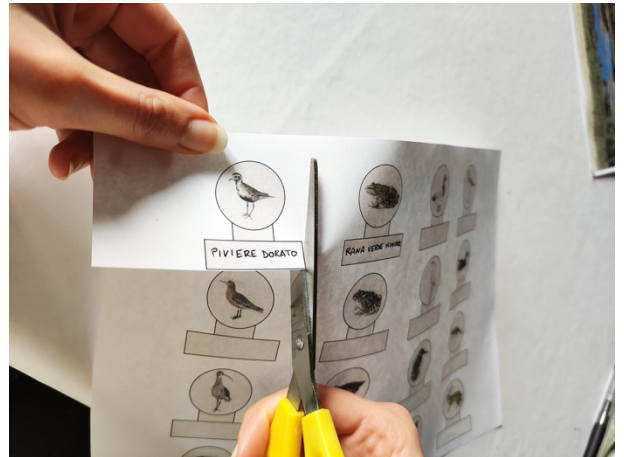

- 1- Print out the didactical material provided on A3/A4 sheet of paper or cardboard

- 2- After reading the legend which identifies the different animal species, write their names in capital letters in the rectangular box below each image

- 3- Cut out each animal image carefully around the lines

- 4- Fold the rectangular box of each piece in order to create a base for a standing card

- 5- Place each piece on the diorama making sure each one of them is correctly placed in their habitat

Realized with the funding of the Umbria Region
