

My Master Hands

MUSEO
CIVICO
PALAZZO
DEI CONSOLI

Recipients: Preschool, Primary, and Secondary Schools

Objective: To promote awareness of the “Archivio delle Mani Maestre” project, reflecting on the importance of the craftsmanship and artistry created by hand.

Structure: Practical workshop with exploratory clay manipulation and the creation of a piece starting from the imprint of one's hand, experimenting with textures, marks, and traces that reflect one's personality, working on and around the hand.

Duration: 1 hour
