

EDUCATIONAL WORKSHOPS AT
ANTIQUARIUM IN FOSSATO DI VICO
(ORGANIZED BY HAPPENNINES)

PAINTING THROUGH THE CENTURIES

Target:

Every kind of school; adults

Objective:

Starting from the paintings displayed in Fossato di Vico, the customer will discover the history of painting throughout history; techniques, materials, processes, visions and influences that reappear through the centuries.

Content:

An introduction on art history from Late antiquity to the Middle Ages will be followed by a hand-on explanation, observing paintings in digital form as well as real life. From then the users will replicate some recurring motifs.

Duration:

2 hours

Price:

€ 5.00
