

Special Exhibition

Francis and the brother wolf.

Franciscan Kit: guess the saint.

Target age group: preschool and elementary school.

Objective: To learn about artistic symbols and representations in a fun way. Develop observation and reconstruction skills. Highlight the communicative and narrative capabilities of nonverbal language and symbols.

Structure: Starting from the text and images provided in the kit, the activity highlights the iconographic aspects of some Franciscan works in the Palazzo dei Consoli art gallery, highlighting their ability to tell a story and identify the characters depicted.

Duration: 1 hour.
